

VIGO COUNTY SCHOOL CORPORATION
CHROMEBOOK REPAIR / REPLACEMENT SELF-INSURANCE PROGRAM

1. The District will provide parents with the option of participating in our Chromebook repair/replacement self-insurance program at a cost of \$20. Funds collected will be used to create a self-insurance fund to address repairs of Chromebooks. Parents/guardians will be given the opportunity to participate in this program through September 29, 2023.
2. **Damaged Chromebooks** will be evaluated by school personnel with **repair fees** assessed as follows:
 - a. For those **participating** in our Chromebook repair/replacement self-insurance program:
 - a. Incident 1 & 2: damage/repair fees will be waived; disciplinary action taken only if damage is intentional.
 - b. Incident 3 and each subsequent incident: damage/repair fees will be assessed based on the table below (Table A); disciplinary action is recommended.
 - b. For those choosing **NOT to participate** in our Chromebook repair/replacement self-insurance program:
 - a. Incident 1: damage/repair fees will be waived; disciplinary action taken only if damage is intentional.
 - b. Incident 2: damage/repair fees will be assessed based on the table below (Table B); disciplinary action taken only if the damage is intentional.
 - c. Incident 3 and each subsequent incident: damage/repair fees will be assessed based on the table below (Table B); disciplinary action is recommended.
3. **Lost/stolen/damaged beyond repair Chromebooks** are the responsibility of the parent/guardian. The appropriate replacement fee will be assessed based on participation in the Chromebook repair/replacement self-insurance program as shown in the fee schedule below.
4. Device failure not caused by student misuse or negligence will be considered the District's responsibility and will not be counted as an incident as defined above; as such, no charges will be assessed, nor would disciplinary action be recommended.
