VIGO COUNTY SCHOOL CORPORATION AQUATIC CENTER

# Building for the Next Generation of Vigo County Swimmers and Divers

...ONE BRICK AT A TIME

## THE AQUATIC CENTER PROJECT

**T**he Vigo County School Corporation has taken a bold next step in continuing quality swimming and diving programs. Plans are under way to construct a new 30,000 square foot facility that will be home to all three high school swimming and diving teams. The swimming pool will be a 50 meter by 25 yard Olympic competition racing surface. This includes 3 - 1 meter and 1 - 3 meter diving standards. It will also have a physical therapy pool, team locker rooms, a classroom, and spectator seating for 368 fans.

This new aquatic center will be a special place where the traditions of the Braves, Patriots, and Vikings will continue. Future press clippings and photo finishes

tell the stories of the next generation of Vigo County athletes.

You can become a

permanent part of the Aquatic Center with a donation starting at \$79 for athletes 18 and younger. Alumni, friends and corporate donors can reserve an engraved brick for \$199 to \$1000. Bricks can be engraved with the name of your choice. Larger bricks will honor teams, multiple athletes, families, coaches, or officials.

Your support will help the Vigo County Aquatic Center add to the scope of the project, allowing both boys and girls to be recognized for their hard work, determination and commitment to the sport of swimming and diving. Your support will ensure that future generations of Vigo County swimmers and divers have awesome facilities to practice and compete.

Did someone you know compete in swimming and diving? Honor their commitment with a brick and make them a permanent part of Vigo County swimming and diving history.

## BY THE NUMBERS

Vigo County High School swimmers and divers have always competed at a high level. Area schools have produced 3 State Champions, 20 Swimming All-Americans, and 57 Swimming and Diving Academic All-Americans.
